Re: Business Telecom, Inc. Long Distance Tariff Revision

Dear Mr. Kirtley:

Enclosed for filing with the Commission is an original of revisions to Business Telecom, Inc.'s long distance tariff, which bears an issue date of October 27, 2009, and an effective date of October 28, 2009. The following tariff pages have changes to be replaced and filed:

<u>Sheet</u>	<u>Revision</u>	<u>Sheet</u>	<u>Revision</u>
Title Sheet	3 rd	1	35 th
19.1	2 nd	26	3 rd

The purpose of this filing is to:

- Grandfather all products and services contained in the tariff for currently subscribed customers. Although BTI will continue to serve its current customers it will no longer offer long distance service to new customers in the State of Kentucky as of the effective date of this tariff.
- Reduce the charge that may apply when requesting a move of service; a move fee will apply in lieu of normal installation charges (Sheets 19.1 and 26)
- Add 45-day notice when requesting a move of service (Sheet 19.1)

Please acknowledge receipt of this filing by date-stamping the enclosed cover letter labeled "return receipt" and mailing to me in the self-addressed, stamped envelope provided for that purpose.

Should you have any questions regarding this filing, please contact me at 256-382-3943.

Sincerely,

Heather Gibbs
